LOUISIANA

LOUISIANANS: HOW TO VOTE THIS ELECTION

The Leadership Conference on Civil and Human Rights and its All Voting is Local campaign launched *And Still / Vote*, a call to action to empower our communities to fight for a democracy that works for all of us. We promote solutions that remove barriers to voting, share testimony from those fighting for a full, inclusive democracy, and mobilize people to take action. Our campaign is for people who believe everyone's voice should be heard and are willing to fight for fair, safe, and accessible elections.
