

AND STILL I VOTESM

ALABAMA

HOW TO VOTE THIS ELECTION

The Leadership Conference on Civil and Human Rights and its All Voting is Local campaign launched *And Still / Vote*, a call to action to empower our communities to fight for a democracy that works for all of us.

We promote solutions that remove barriers to voting, share testimony from those fighting for a full, inclusive democracy, and mobilize people to take action.

Our campaign is for people who believe everyone's voice should be heard and are willing to fight for fair, safe, and accessible elections.

This fall, make your voice HEARD. Below is what you need to know to get registered, vote, and ensure your ballot counts:

Election Day is **TUESDAY, NOVEMBER 3**.

Note that some changes may occur as a result of litigation or executive orders, so please check for the latest information on the secretary of state's website [here](#).

A federal court issued a decision that will help protect the health and right to vote of medically vulnerable Alabamians.

The ruling in *People First of Alabama v. Merrill* means Alabama voters will not need a witness or notary to vote by mail if they have an underlying medical condition and provide a statement.

The decision also stipulates that voters 65 and older with an underlying medical condition won't need an ID so long as they provide other identifying information such as their driver's license number or last four digits of their Social Security number. In addition, it lifts Secretary John Merrill's ban on curbside voting.

Eligible voters in Alabama may vote early under the new in-person absentee voting process. At the Absentee Office, a voter may:

- ✓ Apply for, receive, and return your [absentee ballot](#)
- ✓ Hand-deliver your completed and sealed absentee ballot
- ✓ Receive assistance with any part of the absentee process

When visiting the Absentee Office:

- ✓ Please bring your valid government-issued photo ID
- ✓ Please bring your own pen to avoid unnecessary contact – a pen will be provided if needed
- ✓ A face covering over the nose and mouth is strongly encouraged – a mask will be provided if needed
- ✓ Please maintain a six foot distance

THEY TRY TO SILENCE ME. SCARE ME. SUPPRESS ME. ERASE ME.
